Re: History of Bowling Clubs in Australia

Bowls Australia have recently enlisted the services of a historian to help catalogue and archive the history of the sport.

The focus is currently on developing the history segment of the Bowls Australia Website with the aim of documenting the unique histories of the clubs throughout Australia.

To assist with this process it would be greatly appreciate it if each Club could consider and complete the below questions and return to admin@bowlsaustralia.com.au

1. Club name;
2. Date club was first formed;
3. Date of affiliation (with STA);
4. District/Zone belongs to;
5. First President, if known;
6. First Secretary, if known;
7. First Treasurer, if known;
8. Brief history of your club;
9. Name and contact number for further clarification.
