

MEMORANDUM

To Zone Secretaries
From State Match Committee
Date Friday 2 June 2018
Subject 2018 Bowls NSW State Pennants - Side Registration Forms
Copy CEO

Please find attached the Side Registration Form for the 2018 Bowls NSW State Pennants Finals (Grades 1-7).

Please ensure that each Club winning a Zone Pennant in your Zone is **immediately** supplied with a copy of the form and this memorandum.

To be eligible to play in post sectional play (including State Finals) players must have a current season grading in that grade or lower and be eligible for the grade to be contested (as prescribed by 2018 Condition of Play 4.21)

Should a club wish to use a player who does not meet this requirement an application must be made on the form provided and submitted, through the relevant District and Zone, to the State Match Committee. A copy of the application to waive eligibility requirements should be submitted with the Side Registration Form.

We prefer that forms be completed electronically and submitted via email (to pennant@bowlsnsw.com.au). *Simply type the details into the editable pdf, save to your computer and then email as an attachment.*

The Player Participation Spreadsheet for the club **MUST** be submitted with the Side registration forms. Any form submitted without the Player Participation Spreadsheet will not be accepted.

An example of how to complete the form is shown below.
