

2018 NSW Rookies

Singles Championships

Return forms to Bowls NSW Email - info@bowlsnsw.com.

The Bowls NSW Rookies competition is open to bowlers who have been playing for less than 30 months. To be eligible to enter you must not have been a bowler with any club (anywhere in the world) before 1 April 2016. Players may only play in the Rookies twice. Players who played in the Rookies in both 2016 and 2017 are ineligible to play in 2018. Previous State Rookies winners are also ineligible to enter. You must be currently registered with a club affiliated with Bowls NSW to enter.

What you'll play

You will play under the *Laws of the Sport* and the *Rookies Conditions of Play*. This means that you can't kill the end, the jack is re-spotted at the 2-meter mark. In Pairs, you can use three bowls per player and games are played over 12 ends.

Entry fees: \$26 per player

Entries close: 31 August 2018

Where and when you will play

In both the Singles and Pairs, the initial stage of play will be round robin sections at local venues. You must play at a venue in your Zone.

- Singles qualifying - Sat 6 & Sun 7 October
- Pairs qualifying - Sat 13 & Sun 14 October
- Zone final (if needed) - Sat 20 & 21 October

This event is all about playing, so we try to ensure that every player gets at least 2 games in the sectional play. The best performed players in sectional play then progress to a knockout competition.

Zone winners progress to the State final series at Raymond Terrace Bowling Club where Pairs will be played on Saturday 11 November and Singles on Sunday 12 November.

Have a crack!

Singles and Pairs are played at different times, so have a crack and enter both.
