Re: 2018 Conditions of Play – Addition of Condition

The Board of Bowls NSW has resolved that a Condition of Play be introduced for 2018 to restrict the number of “Fly-In” players permitted to be used in any side in any match of Grade 1 Pennants to two (2).

The addition to the Conditions of Play is:

4.16.1.4. Players with ‘Nominated’ Club other than NSW

Clubs shall be restricted to a maximum of two (2) players in any side in any match of Grade 1 State Pennants who:

- (i.) currently have a State Other than NSW as their nominated club as per the Bowls Australia Affiliation and Eligibility to Play policy and/or
- (ii.) Normally reside outside Australia and are also registered/affiliated with a body recognised by World Bowls
