**Re: 2021 SEASON CALENDAR**

Bowls NSW would like to thank all those members, who contributed feedback to the season program.

Bowls NSW is pleased to release the 2021 Season Calendar of Events.

Due to COVID-19 restrictions enforced upon the state, country and internationally, the 2021 Season will be a challenging one, as we are committed to completing some 2020 State events, along with other 2020 National/International events requiring to be held and completed in 2021 season.

This has impacted the calendar greatly and created some congestion, especially in the first half of the year.

Whilst there is a desire to have a unified State Calendar, with all Zones competing in the same Zone/State events at the same time, due to the size of the State and its contrasting geographical and meteorological diversities, this was deemed not feasible, at this point.

However, the Metropolitan Zones have jointly decided to schedule the same Zone/State events at the same time to create a more unified calendar for their clubs and members.

Regional Zones may wish to align their calendar with the dates of events comprised within Metropolitan Calendar, at their own discretion.

All Zones should note the closing dates for all State events and have their championships completed by those dates.

Please note the following:

- The State Pennant Finals for Grades 2 – 7 have been scheduled for 16 – 18 July, however due to a proposed Bowls Australia Multi Nations tour taking place at that time, the Grade 1 State Pennant Finals have been scheduled for 30 July – 1 August.
  - If the proposed Bowls Australia tour does not proceed and enough notice is given, the Grade 1 State Pennant Finals will be re-scheduled to be played on the same weekend as Grades 2 – 7 Finals (16 – 18 July). Bowls NSW will convey any change as soon as advice from Bowls Australia is received.

The 2021 Bowls NSW Conditions of Play (COP) is anticipated to be released mid-late October 2020.
